Timm Harder is a virologist with a veterinary background and broad interest in influenza viruses, particularly of avian and porcine hosts. His study fields range from diagnostic improvements, molecular epidemiology, and pathogenicity, to applied preventive measures and regulatory issues. He is head of the national avian influenza reference laboratory at Friedrich-Loeffler-Institute, Isle of Riems, Germany. The laboratory is an active member in international networks of the World Health Organization for Animal Health (WOAH, OFFLU) and the Food and Agriculture Organization (FAO) of the UN for research and diagnosis on animal influenza.
