Marco Cavaleri is Head of Office, Health Threats and Vaccines Strategy. He is the Chair of EMA COVID-19 Task Force (ETF) and responsible for EMA activities for emergent pathogens, vaccines and AMR.

He serves in different advisory groups at WHO, including PDVAC and R&D Blueprint SAG and clinical trials working groups.

Marco Cavaleri is a Pharmacologist who spent several years in industry in R&D mainly in the area of anti-infectives covering different positions in preclinical and clinical development.

In 2005 he joined the EMEA in the Scientific Advice Sector, specifically being in charge of anti-infectives and vaccines scientific advice procedures.

In 2009 he was appointed as Head of Section for Anti-infectives and vaccines in the Safety & Efficacy Sector, Human Medicines Development and Evaluation Unit.
