Dr. Melinda Wharton currently serves as the Associate Director for Vaccine Policy and Executive Secretary of the Advisory Committee on Immunization Practices in the National Center for Immunization and Respiratory Diseases at the Centers for Disease Control and Prevention. She joined CDC as an Epidemic Intelligence Service Officer in 1986 and has worked in CDC's immunization program since 1992. She previously served as a member and as chair of WHO's Global Advisory Committee on Vaccine Safety and as a member of FDA's Vaccines and Related Biological Products Advisory Committee.
