Biological Standardization

## Avoiding Antimicrobial Resistance: Veterinary Use of Phages for Prevention, Therapy and Control of Bacterial Infections

November 19-20, 2024  
Virtual Meeting

### **Bruce Thomsen, DVM, PhD, DACVP**

Virology Section Leader  
50010, Ames, (Iowa), USA

USDA, Center for Veterinary Biologics  
Address: 1920 Dayton Avenue

Tel: 1+515-337-6100

Fax: 1+515-337-6120

E-mail: [bruce.v.thomsen@usda.gov](mailto:bruce.v.thomsen@usda.gov)

Dr. Thomsen is the Virology Section Leader within the Policy, Evaluation and Licensing Unit at the United States Department of Agriculture, Center for Veterinary Biologics. His role is to evaluate new and existing veterinary biologics. Prior to moving to CVB in 2016, he was a pathologist at the National Veterinary Services Laboratories from 2001 to 2016. He received his PhD from Iowa State University in 2001 following 7 years of clinical practice and obtained his DVM from the University of Missouri-Columbia in 1990.
