Biological Standardization

Francesca Baldinelli, DVM, PhD

Scientific Officer

European Food Safety Authority

via Carlo Magno 1A, 43126 Parma,
Italy

Tel: +390521036859

E-mail: Francesca.baldinelli@efsa.europa.eu

Francesca graduated as a veterinarian in 2005 from the Università degli Studi di Perugia, Italy. She completed a PhD in Epidemiology and Zoonoses Control and a postgraduate diploma in Veterinary Public Health. She then went on to work as an epidemiologist for several years before becoming a scientific officer at the European Food Safety Authority (EFSA) in 2015, where her work is focused on risk assessment in the animal health field, particularly on avian influenza.
