

# ZAPI STAKEHOLDERS FINAL CONFERENCE

February 4-5, 2021 - A Virtual Meeting

## AGENDA – February 3, 2021

### DAY 1 – THURSDAY, FEBRUARY 4, 2021 – Morning (CET )

#### General Introduction on the ZAPI Project and the Chosen Targets

- 9:00-9:25**      **The ZAPI project**  
                   Industry perspective - *Jean-Christophe Audonnet*, ZAPI Coordinator, BIAH  
                   Laboratory perspective - *Bart Haagmans*, ZAPI Co-coordinator, EMC  
                   Scientific perspective - *Albert Osterhaus*, ZAPI Scientific Co-coordinator, Artemis
- 9:25-9:35**      **The Innovative Medicine Initiative**  
                   *Pierre Meulien*, Executive Director, IMI
- 9:35-9:45**      **EU support to ZAPI-like projects**  
                   *Françoise Grossetête*, former Member of the European Parliament
- 9:45-09:55**    **Break**

#### Session I      ZAPI Methodology Antibodies for Human Application

- 9:55-10:25**    **Generation and screening of antibodies**  
                   *Jeroen Kortekaas*, ZAPI Work-package Leader, WBVR  
                   *Bart Haagmans*, ZAPI Co-coordinator, EMC
- 10:25-10:45**    **Platform optimization - Upstream and purification process development**  
                   *Sara Rodriguez Conde*, AZ  
                   *Alison Tang*, AZ
- 10:45-10:55**    **Break**
- 10:55-11:15**    **Analytical tools - Analytical methods and assay development**  
                   *Sophie Inman*, AZ  
                   *Uche Okorji-Obike*, AZ
- 11:15-11:35**    **Results validation - Process scale up and analytics**  
                   *Sara Rodriguez Conde*, AZ  
                   *Uche Okorji-Obike*, AZ

# ZAPI STAKEHOLDERS FINAL CONFERENCE

February 4-5, 2021 - A Virtual Meeting

11:35-11:45 Break

**Sub-session 1E** - Coordinator – **Bart Haagmans**, ZAPI Co-coordinator, EMC

11:45-12:05 ZAPI achievements and key results on the antibodies methodology

12:05-12:25 Q&A - Moderator: **Lekan Daramola**, ZAPI Work-package Leader, AZ

12:25-14:00 Midday break

## DAY 1 – THURSDAY, FEBRUARY 4, 2021 – Afternoon (CET)

### Session 2 ZAPI Methodology for Veterinary Vaccines

- Sub-session 2A** - Coordinator – **Martin Beer**, ZAPI Work-package Leader, FLI
- 14:00-14:40 **Identification of the subunits (immunogenic sequences)**  
 ZAPI Approach applied to the SBV model - **Martin Beer**, ZAPI Work-package Leader, FLI  
 ZAPI Approach applied to the RVFV model - **Jeroen Kortekaas**, ZAPI Work-package Leader, WBVR  
 ZAPI Approach applied to the MERS-CoV model – **Bart Haagmans**, ZAPI Co-coordinator, EMC
- Sub-session 2B** - Coordinator – **Jean-Christophe Audonnet**, ZAPI Coordinator, BIAH
- 14:40-15:00 **Screening of the platform**  
**Alexander Brix**, ZAPI work-package leader, BIVRC  
**Ronen Tchelet**, ZAPI partner, Dyadic
- 15:00-15:10 Break
- Sub-session 2C** - Coordinator – **Jean-Christophe Audonnet**, ZAPI Coordinator, BIAH
- 15:10-15:30 **Selection of the platforms and analytical tools**  
**Alexander Brix**, ZAPI work-package leader, BIVRC  
**Ronen Tchelet**, ZAPI partner, Dyadic
- Sub-session 2D** - Coordinator – **Jean-Christophe Audonnet**, ZAPI Coordinator, BIAH
- 15:30-15:50 **Results validation**  
**Martin Beer**, ZAPI Work-package Leader, FLI  
**Paul Wichgers Schreur**, ZAPI partner WBVR
- 15:50-16:00 Break
- Sub-session 2E** – Coordinator - **Albert Osterhaus**, ZAPI Scientific Co-coordinator, Artemis
- 16:00-16:20 ZAPI achievements and key results on the vaccine methodology
- 16:20-16:40 Q&A - Moderator - **Albert Osterhaus**, ZAPI Scientific Co-coordinator, Artemis
- 16:40 End of Day 1

# ZAPI STAKEHOLDERS FINAL CONFERENCE

February 4-5, 2021 - A Virtual Meeting

## DAY 2 – FRIDAY, FEBRUARY 5, 2021 – Morning (CET)

### Session 3 ZAPI Findings

#### Sub-session 3A – Coordinator

*Jean-Christophe Audonnet, ZAPI coordinator, BIAH*

9:30-10:00 **Overview of the main ZAPI findings**  
*Albert Osterhaus, ZAPI Scientific Co-coordinator, Artemis*  
*Lekan Daramola, ZAPI Work-package Leader, AZ*

10:00-10:20 **Q&A - Moderator – Jean-Marie Préaud, IABS-EU**

10:20-10:30 **Break**

#### Sub-session 3B - Coordinator – Jean-Christophe Audonnet, ZAPI Coordinator, BIAH

10:30-11:30 **ZAPI learnings and improved scientific and industrial preparedness for future pandemics / global animal health infectious diseases**  
*Albert Osterhaus, ZAPI Scientific Co-coordinator, Artemis*  
*Lekan Daramola, ZAPI Work-package Leader, AZ*

11:30-12:00 **Q&A - Moderator - Jean-Christophe Audonnet, ZAPI Coordinator, BIAH**

12:00-13:30 **Midday break**

## DAY 2 – FRIDAY, FEBRUARY 5, 2021 – Afternoon (CET)

### Session 4 Improving Preparedness for Future Pandemics

#### Sub-session 4A - Coordinator – Albert Osterhaus, ZAPI Scientific Co-coordinator, Artemis

13:30-14:00 **Applicability of ZAPI to global outbreaks**

14:00-14:40 **Sub-session 4B - Coordinator – Joris Vandeputte, ZAPI Work-package Leader, IABS-EU**  
**Policy and Regulatory Affairs**

- **Pandemic urgency and surge production and the use of platform technologies**  
*Marco Cavaleri, Head of Health Threats and Vaccines Strategy, EMA*
- **Platform Masterfile and impact**  
*Carmen Jungbäck, IABS-EU*
- **EU veterinary regulation trend setting**  
*Ivo Claassen, Head of the Veterinary Medicines Division, EMA*

14:40-15:00 **Other ideas / Discussion - Moderator - Joris Vandeputte, ZAPI Work-package Leader, IABS-EU**

# ZAPI STAKEHOLDERS FINAL CONFERENCE

February 4-5, 2021 - A Virtual Meeting

15:00-15:05 Break

15:05-15:50 **Sub-session 4C** – Moderator - **Albert Osterhaus**, ZAPI Scientific Co-coordinator, Artemis  
Roundtable – Stakeholders’ perspective: How to go faster and remove bottlenecks?

- **Ivo Claassen**, Head of the Veterinary Medicines Division, EMA
- Monique Eloit, Director General, OIE - TBC

15:50-16:05 **Global conclusion**  
*Pierre Meulien*, IMI Executive Director

End of Conference
