

## Olivier ESPEISSE

Chairman IABS-EU  
Board member of Actors4Health  
France

Olivier Espeisse started his professional career as a field veterinarian in Normandy, France, where he practiced rural medicine with an emphasis on dairy cows during 7 years. He then entered the veterinary pharmaceutical industry. The field of his activities extended from clinical development to regulatory affairs, quality control, sales, marketing, management and finally public affairs, over several geographical zones and countries. Olivier retired from Ceva Animal Health, where he was Director for Public Affairs, in January 2024. Olivier graduated from the Maisons-Alfort Veterinary School in 1981 and holds an MBA from Bowling Green State University, Ohio.
