Kristi L. Griffiths received a doctorate in statistics from Virginia Tech in 1995 and joined Eli Lilly and Company to support pharmaceutical product development. She has provided technical contributions for numerous product development programs and has been instrumental in the design and implementation of the Lilly Quality by Design strategy.

She is currently an Associate Vice President and serves as the statistical advisor for the bioproduct portfolio. Kristi actively served on the International Pharmaceutical Aerosol Consortium on Regulation and Science (2000-2006) and the USP Statistics Expert Committee (2005-2010). She was an associate editor of the American Statistical Association's Biopharmaceutical Report (2021-2022) and continues to serve on the IABS Statistics Workshop Scientific Organizing Committee.
