## 9<sup>th</sup> Annual IABS Statistics Workshop Expanding CMC Impact with Statistical Innovation

November 8-9, 2023  
University of Maryland - IBBR, Rockville, MD, USA

### **Laura Pack**

Sr. Director, QC & Statistics  
Rezolute, Inc.

E-mail: [Laura@rezolutebio.com](mailto:Laura@rezolutebio.com)

Laura has leveraged her scientific and statistical expertise to drive innovation in biotechnology across operations functions for the past 19 years. Throughout her career, Laura has focused on supporting clinical, late-stage, and commercial biologics and small molecule programs, including determining specifications, evaluating comparability, developing analytical & product lifecycle management practices, and setting overall product quality strategy. She is passionate about teaching statistics to the many dedicated scientists that she encounters in the CMC community.

Laura currently leads the QC & CMC statistics functions at Rezolute, where she partners with scientists across CMC functions to integrate statistical thinking into everyday decision making so that the company can advance important medicines through clinical trials.

Laura holds Bachelor's degrees in chemistry and biochemistry from the University of Colorado and a Master's in applied statistics from Colorado State University. She has served on the IABS Statistics Workshop Scientific Organizing Committee since 2018 and on the AAPS CMC Statistics Community Leadership Team since 2016.
