

International Alliance for
Biological Standardization

The Role of Real-World Evidence for Regulatory and Public Health Decision Making for Accelerated Vaccine Deployment

September 19-20, 2023
Park Inn Hotel, Leuven, Belgium

Robert T Chen MD MA

Scientific Director

30330, Decatur, GA, USA

Brighton Collaboration, a program of
the Task Force for Global Health

Tel: +1 678 490 8141

Cell: +1 678 662 0516

E-mail: rchen@taskforce.org

Dr. Chen has been active in research of vaccines and vaccine-preventable diseases for over 35 years, mostly at the US Centers for Disease Control and Prevention (CDC). He played key roles in modernizing the vaccine safety infrastructure in the U.S. and elsewhere. He has authored or coauthored over 300 publications. Dr. Chen is currently the Scientific Director of the Brighton Collaboration. He also Leads the Coalition of Epidemic Preparedness Innovation (CEPI)-funded Safety Platform for Emergency vACcines (SPEAC) Project, the US CDC-funded CARESAFE Project, and co-leads the COVAX Vaccine Safety Working Group.
