9th Annual IABS Statistics Workshop Applying Statistics and Data Science to Evolving Technical and Regulatory Paradigms

November 7-9, 2023
University of Maryland - IBBR, Rockville, MD, USA

Justin Pearson, MS

Principal Statistician

12180 Troy, NY, United States

Regeneron Pharmaceuticals, Inc.

Address: 1 Global View

Tel: +518-227-9264

Fax: N/A

E-mail: justin.pearson@regeneron.com

Justin obtained an MS in Applied Statistics from Rochester Institute of Technology in 2016, and has worked in industrial statistics at Regeneron since then. His professional interests include experimental design, sampling plans, methods for assessing drug stability, and the art of technical communication. Outside of work, he can be found hiking local trails, reading sci-fi novels, and trying new recipes.
