Biological Standardization

**Quinton Meyer, PhD**

Director

South Africa

South African National Control  
Laboratory for Biological Products

E-mail: [meyerqc@ufs.ac.za](mailto:meyerqc@ufs.ac.za)

Dr Quinton Meyer is the director of the South African National Control Laboratory for Biological Products (SANCLBP) based at the University of the Free State. He joined the SANCLBP in 2010 as a scientist and was responsible for batch release testing of bacterial and viral vaccines. Dr Meyer was appointed as the director of the SANCLBP in 2020.

He is a member of the South African Health Products Regulatory Authority (SAHPRA) biological medicines expert advisory committee and a vaccine quality evaluator for SAHPRA.

Dr Meyer has been a member of the African Medicines Quality Forum sub-technical committee for vaccines and biologicals as well as the WHO Expert Advisory Panel on Biological Standardization since 2023.
