Biological Standardization

Ashley Giambrone, PhD.

Manager of Statistics

12180 Troy, NY, U.S.A.

Regeneron Pharmaceuticals, Inc.

Tel: +1 518 258 7455

E-mail: ashley.giambrone@regeneron.com

Ashley studied Biostatistics at State University of New York at Albany. She finished her PhD in the statistical area of non-likelihood-based model evaluation in 2013. Afterwards she completed a post-doctoral program at Weill Cornell Medical College in the School of Epidemiology and Biostatistics. Currently, she is leading a team of statisticians at Regeneron Pharmaceuticals, Inc. supporting all aspects of drug manufacturing. Ashley joined the IABS Scientific Organizing Committee in 2022.
