Professor Palić comes from a long line of veterinarians and educators, being the third generation Professor of Veterinary Medicine. He received D.V.M. and MVSc degrees from Faculty of Veterinary Medicine in Belgrade, Serbia, and Ph.D. from Iowa State University College of Veterinary Medicine. Dušan is a founding member, certified aquatic veterinarian (CertAqV), and Past President of World Aquatic Veterinary Medical Association (www.wavma.org). He is a founding diplomate and former Vice-President of European College of Aquatic Animal Health (ECAAH, www.ecaah.org), and the Director of the International Aquatic Veterinary Biosecurity Consortium (IAVBC, www.iavbc.org). Dušan is chairing the European Medicine Agency workgroup for evaluating medicinal substances and is an expert member in WOAHA workgroup to provide guidelines for antimicrobial use monitoring in aquaculture. His daily work as Chair for Fish Diseases at LMU Munich includes research, teaching, diagnostic, and extension services.
